PROJECTS

Pahelukadam — Entrepreneurial Guidance Platform

[pahelukadam.com](#)

DESIGNER & FULL STACK DEVELOPER · 2025–2026

Designed and developed a comprehensive entrepreneurial guidance platform to empower India's next generation of entrepreneurs. Features a curated library of 11+ industry categories (Food & Beverage, Digital/IT, Agriculture, Health & Wellness, and more), an AI-powered Idea Finder that recommends personalized business opportunities based on user budget and skill set, and side-by-side idea comparison tools.
